

RAMZI GHOTBALDIN

Ramzi Ghotbaldin is an artist of singular universe; his expression asserts itself in a synthesis between dream and memory, reality and oneirism. The originality of his compositions, the permanence of his drawings, the refinement of his palette and the filtered light, all help to transport us into timeless dimensions and landscapes that constantly enchant us. A French painter of Kurdish origin, born in 1955, who has lived in France for almost 35 years. He has been exhibiting for 30 years in prestigious galleries in Paris, the French provinces and several European countries, including Belgium. In 2022, he was awarded the Grand Prix de Peinture by the Taylor Foundation in Paris. He has worked faithfully with the Galerie d'Haudrecy for over 15 years.
